**Dear all,**

## **About Us**

The Nile Learning Center is a leading education center in Egypt and online. With over 25 years of experience, we have provided students from over 120 countries with educational activities and a wide range of courses, including Arabic, Qur'an, Islamic Studies, Turkish, English, and Calligraphy. Our professional native tutors strive to ensure that each student receives top-quality education, resulting in accredited certificates. With over 100,000 students served, the Nile Learning Center is committed to providing excellence in education for all learners.

## **Our Online Courses**

The Nile Learning Center offers online Arabic and Quran courses for adults and children. The courses are designed to teach the four foundational skills of the Arabic language, including reading, writing, speaking, and listening. The center offers courses in Fusha Arabic, Egyptian Colloquial Arabic, Tajweed, Qira'at, Arabic Calligraphy, Tafseer, Hadith and Fiqh classes. The online courses are offered through an internet-based language teaching platform that is accessible to students 24/7.

## **Discount**

The Nile Learning Center believes in the importance of promoting education and knowledge within the global Islamic community. We recognize that Islamic organizations play an essential role in facilitating the learning of Arabic and the Quran for their members. To support this effort, we are pleased to offer a **15% discount** to students coming via Islamic organizations for our Arabic and Quran courses. We understand the significance of acquiring these skills and want to make sure that all who are seeking to learn have the opportunity to do so. It is our hope that this discount will make it easier for students to access these courses and gain the knowledge and skills they need.

You can find more information about the online courses offered by the Nile Learning Center here:
